

REDUCING WASTE & REDUCING COSTS IN YOUR BUSINESS

Businesses of all sizes can make significant cost savings by focusing on waste in their business. Every business creates unnecessary waste. This can often be due to complacency and bad habits.

This Seminar will explore the ways companies can reduce and eliminate waste in their business; including food waste, energy wastage and water wastage through simple “no cost” and “low cost” means.

We have a host of experts and practitioners who have implemented waste reduction first hand. We hope you can join us for this morning seminar on Wednesday, 25th October.

WIN!

Attending Businesses will have the opportunity to win one of the following prizes...

1. Green Business Resource Efficiency Assessment (Value €1,000- €3,000)

2. Ecomerit waste assessment. (Value €400)

3. Upcycled furniture item from Revived and Retro (to the value of €100)
